

Look to Our Children's Future...

A University for the South East

*Your Region!
Your Voice!
Let's Make
it Happen!*

Give Our Children an opportunity of University Education within the South East Region

"A RISING TIDE LIFTS ALL BOATS"

EDUCATE MORE PROFESSIONALS - who will support our region such as architects, engineers, lawyers, business graduates, healthcare professionals and computer specialists.

SUPPORT LOCAL BUSINESS - Significant contribution to the local community. Increasing the range of goods, services and attractions available.

COST SAVINGS

- it can cost up to €10,000 per year to send your child to University outside the South East.

LEADING EDGE TRAINING AND DEVELOPMENT

RESEARCH FUNDING AVAILABILITY

WORLD CLASS SPORTING FACILITIES

EDUCATION OPPORTUNITIES FOR EVERYONE

CULTURE - A University will lead to more art galleries, theatres, concert halls and film showings - making a huge cultural contribution to the community.

ATTRACTIVE TO MORE VISITORS

**RESEARCH / POST-GRADUATE STUDIES /
LIFELONG LEARNING**

- Distance Learning and Professional Development.

A University for the South East will have a massive impact

GIVES CHILDREN OF THE SOUTH EAST A BRIGHTER FUTURE - where hope meets opportunity.

ECONOMIC BENEFITS - For every 100 University Jobs, a further 89 are created in the wider economy.
24,375 people are currently unemployed in the South East, much higher than the national average (CSO figures).

MULTIPLIER EFFECT - For every €1 invested - the University will deliver an additional €8 for the region.

MORE SKILLED GRADUATES - will help to attract more business and industry to the region, therefore creating more jobs in the area.

WILL ALLOW THE SOUTH EAST TO TAP ITS POTENTIAL

MORE ATTRACTIVE FOR START UP COMPANIES

MORE PARTNERSHIPS
